All members are responsible for contacting the Membership Chair, Joan Hayssen, and Yearbook Chair, Jane Keough, with any changes in status, name, address, phone or email.

Dues of \$125 for Active and Sustaining Members are payable to the Treasurer at the Annual Meeting in October.

## **MGC HOSTESSING GUIDELINES**

One of the most pleasant aspects of belonging to MGC is the social time we spend having lunch together following General Meetings held at various Members' houses and other locations. It is expected that each Active Member, when asked by the Hospitality Chairman, will take her turn, either as a Meeting Hostess, or as one of the Co-Hostesses. Though not required to do so, Sustaining Members are warmly invited to participate as Meeting Hostesses and Co-Hostesses.

### **MEETING HOSTESS RESPONSIBILITIES**

- Hostesses **MUST** find replacement if unable to fulfill their commitment.
- Provide house/barn for General Meeting, including parking, directions, and signage. The Hostess should ensure that the club's directional signs are handed on to the subsequent Hostess.
- Provide enough seating. Should the Hostess choose to rent chairs, some MGC funds are available for reimbursement upon request. Pickup/Return of rental chairs is the responsibility of the Meeting Hostess.
- Darken windows as required for the meeting program.
- Assist Program Committee with set up of MGC audio-visual or other equipment to be used.

### **CO-HOSTESS RESPONSIBILITIES**

Well ahead of time, the Lead Co-Hostess should contact the Meeting Hostess to discuss logistics, her preferences, and any other details to reassure her that things are well organized. At least a week or two prior to their assigned Meeting, the Co-Hostesses should contact each other to discuss plans for:

- Providing beverages and desserts for all attendees.
- Providing napkins/plates/cutlery/glasses/serving dishes and utensils as needed. In an effort to reduce waste, the use of "real" plates, cutlery, glasses, napkins

etc. in place of paper or plastic goods is strongly encouraged whenever feasible.

- Providing a flower arrangement for center of table if requested by the Meeting Hostess. The Lead Co-Hostess and all Co-Hostesses should plan to arrive early before the meeting time to help set up the meeting/ dining area and stay to clean up afterwards. Hospitality costs should be divided among the Lead and Co-Hostesses.
